INFORMATION DISCLOSURE STATEMENT PURSUANT TO 37 C.F.R. §1.56 AND §§1.97-1.98

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The citations listed on the enclosed PTO-1449 Form are submitted under 37 C.F.R. §§1.97 and 1.98, and in compliance with the duty of disclosure as defined in 37 C.F.R. §1.56. Pursuant to 37 C.F.R. §1.98(d)(1), copies of the cited references are not provided herewith because the above-identified application is a continuation-in-part application that claims priority under 35 U.S.C. 120 from application Serial No. 09/830,017, filed July 27, 2001. The Examiner is requested to make these citations officially of record in the application.

This Information Disclosure Statement is being submitted before receipt of the first Office Action for the above-identified application. Consequently, pursuant to 37 C.F.R. §1.97, no fee or certification is required. However, in the event that the first Office Action was mailed before the mailing of this Statement, the Commissioner is hereby authorized to charge the fee set forth in 37 C.F.R. §1.17(p) to deposit account No. 13-0201 to cover this fee. A duplicate of this statement is attached.

This Information Disclosure Statement Under 37 C.F.R. §1.56 is not to be construed as a representation that the listed citations establish, by themselves or in combination with other information, a *prima facie* case of unpatentability of any claim in the above-identified application. Additionally, this Information Disclosure Statement is not to be construed as a representation that a further search of the art has been made by Applicant, or that additional information relevant to the examination of this application does not exist unbeknownst to Applicant.

Respectfully submitted,

Richard A. Dannells
